From Barbara . . .

Contributions are relative. While the rich person gave a greater money amount, the widow gave all that she had. What is it that we value that we give all that we have or are to it? Our family, our job, our school work, our community, our favorite sports team, our friends, our church...? Observing where we spend our time, energy, and finances indicates our priorities. Take time this week to notice what you value most.

There are many people in our parish communities who were honored by the Lions Club of Thurmont for their volunteerism. Not surprisingly, they also contribute their time and talent to our parishes. We congratulate Gene Doyon, Rachel Patrick, Kimberly Reina, and Carol Robertson for their contributions that make our community and parishes such productive places. Carol Robertson was selected as the Lions Club Volunteer of the year. In addition, several of our parishioners were instrumental in coordinating the wonderful "Make A Difference Day" which celebrated not only these volunteers but those from our local area who serve our country in the military and their families. Paul & Jo Ann Cannada, Susan Favorite, Albie Little and others in the Lions Club put in lots of time and effort to make this a heartwarming celebration. We are certainly blessed to have so many selfless people among us.

Don't forget the Cash Bash this Saturday, Nov. 14. This is our big fundraiser for both parishes. If you haven't already bought your ticket, please call the office to see if any are still available.

May God continue to bless us all.
