## Word of Life

### Bulletin Briefs – June 2010

Modern medical science strives, if not exactly to exclude death, at least to eliminate as many as possible of its causes, to postpone it further and further, to prolong life more and more. ... The true cure for death must be different. It cannot lead simply to an indefinite prolongation of this current life. It would have to transform our lives from within. It would need to create a new life within us, truly fit for eternity.

~ Pope Benedict XVI, homily,  
Easter Vigil Mass, April 3, 2010

## *From Barbara . . .*

Do you know who Jesus is? That's the important question asked of the disciples in today's Gospel. If we are followers of Jesus, we too need to know who Jesus is and what is being asked of us. Jesus says we must take up our cross daily. We should live as Jesus did and in order to do that we have to know who Jesus is. As Catholic Christians we continue to learn about our faith and how we can live it in our daily lives. Take time this week to contemplate who Jesus is and what he means to you.

We ask God to give a special blessing on all fathers on this Father's Day. I hope that all those who are in the role of father in whatever capacity knows the impact that they make on the lives of their children. We owe a special debt to our fathers and all those who have shown us fatherly love.

Would you like the flowers at our weekly masses to be in honor of a loved one? If you want to make a memorial donation for weekly flowers, please contact Diane at the parish office. We will make arrangements to order the flowers unless you want to specifically do that. We have a standing order for flowers at Our Lady of Mount Carmel but your donation will help defray our costs. We will acknowledge your loved one in the bulletin for that week. If you want a specific date Diane can arrange that. We do not order flowers during Advent or Lent due to the nature of the liturgical season.

May God continue to bless us all.
